## UNITED VALLEY PARISH

AUGUSTANA / HALSTAD / IMMANUEL

**Pastor John  
Andrews**

Last month I asked you to consider how you could help with our clergy shortage, especially in rural ministry. Most of our seminary students now come from large, suburban congregations and that is the type of church they hope to serve. Meanwhile 70% of them will be sent to small, rural congregations for their first call. Some discover the joys of rural ministry, but most can't wait to move to a "bigger, better" congregation with all the bells and whistles possible with large numbers of parishioners: youth directors, confirmation coordinators, Sunday School superintendents, worship and music directors and/or worship team leaders, most of whom are full-time paid staff. I don't have to tell you that isn't our situation in the United Valley Parish. Please prayerfully try to discern what God is calling you to do, whether that is going to seminary or encouraging others in whom you see gifts for ministry, gifts of which they are possibly unaware. For the past year, Immanuel has had members lead worship, including preaching, once per month while I'm doing the 9:00 AM service at Augustana. What a great way to get your feet wet. What a great way to discern if God is calling you to full-time ministry. What a great way to serve your church.

Hope in Fargo is one of the biggest churches in the ELCA. I'm not sure of their current membership, but a few years ago they hit 13,000. Many people join the church for business contacts, somewhere north of 5% of the metro population. Many others join because they believe (falsely) that with that many members, they won't be asked to do anything in church. Hope has full-time paid staff whose job is to get new members into volunteer positions. The only way they can make their mission work is to have large numbers of people (usually unpaid) willing to lead and coordinate small-group ministries.

We don't have that luxury, but people who have joined our churches know that if they won't do a job, often it won't get done. That is one advantage of rural ministry; people are used to pitching in and helping others, usually without being asked. See a person in need, help that person. We've seen this time and again when medical emergencies have led to needing help with planting or harvest, and people have jumped in to fill the need.

That being said, we are having trouble finding people willing to commit to serving our churches in several areas.

Where are our young people? Where are the parents of our young people? How do we get them to attend church? Are you willing to help with Sunday School? There are several possibilities for service, even if it's only for one Sunday. Are you willing to help teach Confirmation for 6<sup>th</sup> graders (I will be there, but a second adult helps to give a second perspective)? Are you willing to be a mentor for a Confirmation student? Are you willing to help with JYO (Junior Youth Organization) or LYO (I would call it Luther League-that's how old I am)?

Can you, or someone you know, play piano? Are you willing to play for services at Halstad and Augustana, even on a part-time basis? Tom Hanson, the organist at Good Shepherd in Moorhead, has offered to teach you how to play the liturgy. I have to tell you, me singing without accompaniment is no way to keep people in church, let alone get them to come back. Can you sing? Can you sing in church? Are you willing to sing, solo or as a group, in church? Are you willing to sing in a choir? Are you willing to come to services and sing out to give the rest of us some cover? Six singers, placed throughout the sanctuary, making a joyful noise, could make a huge difference in the energy level.

What are we good at? In what areas of ministry do we excel? I believe hospitality is a strong suit. How do we get people in the doors and how do we welcome them when we do? In our overly connected society, what is often missing is a personal connection and face-to-face conversation. Can we provide that? How?

What are you good at? In what areas of ministry do you excel? What is your strong suit and how can you use it to benefit God's church? Of course, I want you to use your gifts within the United Valley Parish, but maybe God is calling you to serve the wider church, at a national or international level. Is there an overseas mission that really gets you fired up?

You have been saved by faith, but not so you can sit on your hands. Each one of us has been called to respond to all we've been given by passing it on. What are you doing to do that?

Pastor John

## HLC Council Meeting Pending Approval Wednesday, August 10, 5:30pm

The HLC Council meeting was called to order by President Jon Hellerud at 5:35 pm.

Members attending: Jon Hellerud, Maradee (Dede) Lee, Cheryl Johnson, Jackie Hellerud, Chad Tice, Dean Nelson, Emily Finney, and Pastor John Andrews. Members absent: Donna Scholl, Alli Tice, Darin Johnson, and Gaylord Christianson. Also present: Dearmina Gustafson

Pastor John led with devotions, reading from Genesis 15, followed by prayer.

Reports were reviewed.

**UVP Parish Council:** None

**Secretary:** Correction from “nursing home’ to living center”.

**Deacons:** None

**Trustees:** Cheryl reported for Darin stating that the sound system has not been installed yet. The office keypad has been installed. Darin is checking on a heat exchanger unit to replace the non-working one on the west side of the church. He found one in Florida for \$4,500 but it would have to be shipped here. He believes he can install it himself. The bid and discussion was for replacing all the stucco/buffalo board around the church, not just the fellowship hall area. Cheryl had gotten some figures for the siding and labor but more information will be coming about material cost of the Louisiana Sheet Board and possibly doing the work ourselves or put out on bids. Discussion was tabled until more information is received.

**Missions & Ministries:** Brew & Renew Thrift Store had a good July month. Dearmina is now managing the store and is having a “Back-to-School” sale on Wednesday and Thursday evenings, August 17<sup>th</sup> and 18<sup>th</sup>. The community dinner is also on Wednesday, August 17<sup>th</sup>. The store is closed on Saturdays during August. Dearmina questioned the purchase of the tree for the beet park. Cheryl said we have \$680.00 set aside to buy the tree but nothing can be done right now due to stressing the tree. Once the tree is bought and placed, a new mission project will be discussed. Cheryl said that we continue taking donations for the roof. She had to transfer money from the savings to pay the roof loan payment this month.

**Board of Education:** Emily reported that Vacation Bible School went well with lots of little kids. She was not sure of the number attending. Emily said a \$200 donation had been received and the total expenses were approximately \$900. A lengthy discussion was held regarding the future of Confirmation. Dede gave pastor the most recent UVP guidelines from the church office files. He will review them. Emily said that the kids are not attending for various reasons and thought some discussion should be held with Grace Lutheran in Ada to consider consolidation of Confirmation classes with them since the kids are attending school in Ada. Dede questioned whether it would be wise to take our kids away from our local churches because they would not be taking part in their home churches at all. There

is currently no other program (JYO or LYO) for our kids. Emily mentioned the trips and gatherings the Ada kids take part in and our kids could take part as well. Dede said that she felt the faith foundation should be the main concern. Emily said she thinks merging would be better than the kids not going to Confirmation classes at all. Pastor John is having some difficulty with this year's Confirmation requirements. Pastor John will have a discussion with Pastor Jack Carlson at Grace Lutheran to see what his feelings and the Grace Lutheran council's feeling are about our kids meeting at Grace. Pastor John would take part in the teaching in Ada but the rite of Confirmation would still be in our local churches. Emily also said that we would help with expenses from our funds. Transportation or walking from the school on the west side of Ada to Grace Lutheran on the east side of town was also discussed. Further discussion will be held after the pastors meet.

**Memorial Secretary:** Report on file. \$1,170 was donated to the roof fund in July.

**Treasurer/Financial Secretary:** Income: \$11,286.99 less \$1,270 memorials = \$10,016.99; Expenses: \$9,127.35. Net Income: \$889.64.

**Pastor:** Two funerals in July. Pastor John said he is now on the Halstad Living Center rotation for worship and communion on the second Wednesday of each month. He is also at the Heritage House every other month. Pastor announced worship and music meeting to be held at 11:30 on Sunday, August 28<sup>th</sup>.

A motion was made by Jackie and seconded by Dede to accept the reports as given. MC

**New Business:** Jon said "God's Work, Our Hands" Sunday is September 11<sup>th</sup>. That will also be the first service at HLC at 9:00 a.m. for the coming year. Stacey and McKenna Hellerud will take care of the School Kits and the Personal Care Kits. Jackie will oversee the Newborn/Layette Kits to be packed that day. Dearmina was asked to advertise for the needed supplies in the bulletins before September 11<sup>th</sup>. Also, she will need to advertise for the community members to call the church office if they would like some work done that day.

Jon also announced our annual BBQ/Homemade Ice Cream fundraiser contest is set for Saturday, September 17<sup>th</sup>, from 4-6 p.m. to coincide with "SugarFest". A garden/farm market was also discussed as well as the bouncy house for the kids. Other events will be held at the beet park.

Dearmina, HLC Office Manager, asked that Dede be allowed to do some office training with her as she had not had any so far. Pastor John agreed that it would be a good step. Dede said she would be willing to work with Dearmina at Dearmina's convenience. They will set up some times for the training.

The next regular council meeting is Wednesday, September 14<sup>th</sup>, 2022 at 5:30 p.m.

Motion by Emily, seconded by Dean, to adjourn. MC  
Meeting closed at 6:39 p.m. with The Lord's Prayer.

Service activities offer an opportunity for us to explore one of our most basic convictions as Lutherans: that all of life in Jesus Christ – every act of service, in every daily calling, in every corner of life – flows freely from a living, daring confidence in God’s grace.
